THE YACHT

Built and designed by the Turkish yacht builder Tansu Yachts in 2011, Preference 19 is one of the first in a fleet of robust superyachts by visionary yachtman Riza Tansu.

The shipyard's generations of knowledge in wooden and metal yacht building together with Tansu's keen design eye and love of simplistic, minimalist design elements have resulted in a sophisticated balance between old

school values and a highly modern style that makes a Tansu yacht unmistakably a Tansu.

Measuring 36.4 metres, she has a beam of 7.2 metres, a draft of 2.2 metres and a volume of 225 GT. With her zero-speed stabilisers and a range of 3,200 nm at a speed of 12 knots, Preference 19 fully lives up to her retro utilitarian exterior look.

CAPTAIN JAMES BOX

Led by Captain James Box, the crew enjoyed their first charter season in 2019 in the eastern and western Mediterranean, had a very successful 2020 season in Croatia and are a fully-fledged dream team when it comes to taking guests out on the water.

"We pride ourselves on being able to cater to all of our guests' requirements," says Captain Box. "From elegant cocktail parties to a birthday blowout with a full band, DJ and acrobatic displays. You name it, we'll give it a go!"

THE EXPERIENCE

With a new watersports setup, liveable outdoor areas, laid-back interiors and a dedicated crew with you every step of the way, Preference 19 leaves the pretenders in her wake as you cruise off into the sunset on your hunt for new cruising grounds.

With its smart layout and emphasis on proper outdoor living, Preference 19 has been described as an 'instant home away from home' and has quickly proven herself as one of the finest charter yachts in her size range.

Life on board is all about authentic experiences with those closest to you as you settle into any of the many exterior social areas or beach villa-inspired interior areas. Preference 19 invites you to slip off your shoes, unpack the daily stresses of life and to once again experience the simple joys of life.

"Preference 19 is a charter yacht well equipped to deliver on every guest need," elaborates Captain Box. "In addition to our entertainment areas, we also have fitness equipment including yoga mats, TRX, weights, kettlebells and sparring equipment, including a punching bag. The aft deck can also serve as a basketball court, although you will need to go for a swim if you miss!"

THE CUISINE

Guests can rest assured that they are always in good hands when it comes to a culinary experience on board Preference 19.

Working in close cooperation with the interior crew, the talented chef creates delicious dishes to suit every taste. From low-key buffets for a relaxed family evening to impressive multi-course menus for al fresco dining, each meal is a five star occasion.

Preference 19 is also a yacht that knows how to entertain. The entire crew delights in creating exceptional dining experiences whether it's a fun themed birthday party for a child or an elegant dinner for a family celebration.

A typical breakfast might include a seasonal fruit platter alongside eggs any style with your choice of bacon, smoked salmon or spinach, while lunches on deck might include chilli and king prawn linguine served with fresh dressed green salad, or seared fresh tuna steak with mango, lime and chilli salsa. Freshly made sushi is also a very popular choice.

When it comes to dinner, guests can look forward to red Thai curry with ginger and coconut infused clams, or fillet steak with lemon and parsley gremolata, saffron rice and a Mediterranean style vegetable ratatouille. For vegetarians, the Portobello mushroom and halloumi stack with thyme and balsamic are simply delicious.
