THE YACHT

Art lovers will adore this 49 metre 2006 built Mondomarine yacht, which was refitted in 2013, with updates in 2018 and a major refit in 2021.

Her USP is a pleasant and silent cruising style and she boasts several other wow factors including a generous sundeck with jacuzzi and outdoor dining for up to 16 guests, a panoramic sea view from the upper deck master cabin, complete with salon, office space and private gym deck, and high level sound insulation throughout all guest sleeping quarters.

Accommodating 12-14 guests across seven cabins – four doubles and three twins all with en suite facilities – this yacht is ideal for family groups and friends, many of whom are repeat clients.
