“ Such an amazing crew, thank you for making our week so special! What an amazing itinerary with truly stunning Greek islands. Thank you for making our stay so fantastic! ”

THE YACHT

It's fair to say that Gitana is the epitome of discreet elegance and timeless charm, wrapped in a distinctly 21st century décor style.

This classically imagined 36 metre sailing yacht was built in 1989 by Perini Navi and the bar has been further raised by an impeccable Guido de Groot and Ralph Lauren interior redesign which took place in 2015.

Signature wide stripe details abound throughout and one of Gitana's chief wow factors is the circular lounge style seating zone on the aft deck, adjacent to a chic outdoor dining area.

The salon converts into a cinema room while the three staterooms – master, VIP and three berth guest cabin – are decorated with flair and panache, accommodating nine guests.

An imposing grand staircase adds to the sophisticated ambience of this beautiful craft.
